

CES Bus Behavior News

March 2018

Welcome to our CES Bus Behavior Newsletter! We want to share what is happening at CES and highlight the great work you are doing to transport our students to and from school.

Thank you for everything you do!

Tip Corner

"NO ACT OF KINDNESS,
NO MATTER HOW SMALL,
IS EVER WASTED."

-AESOP-

A kind word, noticing something about a student, or giving a bus buck out to a student can make the difference between a good day and a bad day. Helping a student start the day on a positive note is the difference between having a successful day or unsuccessful day. Thank you for helping students start their day off on the right foot.

BOTM

Bus of the Month

Buses are posted in the front lobby. We mark each bus each week if they have received a thumb up. We had several buses that earned a thumb up every week. We held a random drawing and bus 11 was the winner!

Students on bus 11 earn a homework pass.

Top 3 buses in giving out bus bucks:

Bus 9
Bus 82
Bus 244

Every time a student receives a bus buck they also receive from their teacher a Dojo point or ROAR stamp. This helps them earn a reward like electronics hour or extra recess at the end of the month.

Important

CES was asked by Vanderbilt to present about our Bus PBIS program at a training for 9 other Rutherford County Schools. The word is out what a wonderful job you are doing to help this program succeed! We made it clear that this program would not succeed without your help. Please feel free to ask questions. We are here to support you! You can email Dena Oneal with any questions at oneald@rcschools.net.
