

## Bus Buck Tips

1. Tell the students why you are giving them the ticket (only one at a time).
2. Pace the tickets so that these last the entire month.
3. The rule at school is if they ask for a ticket they cannot have one!
4. Make it random. Students get the tickets when they are “caught” doing something.
5. Do not use the tickets as bribes. This makes them ineffective.
