Adapting Morning Announcements for Virtual Learning

Murfreesboro City Schools

★ Bradley Academy ★ Mitchell-Nielson ★

★ Erma Siegel Elementary ★ Hobgood Elementary ★ Black Fox Elementary ★

★ John Pittard Elementary ★ Northfield Elementary ★ Cason Lane Academy ★

★ Salem Elementary ★ Reeves Rogers Elementary ★ Scales Elementary ★

★ Overall Creek Elementary ★ The Discovery School ★

Murfreesboro City Schools has done exemplary work with implementing RTI²-B as a district, and they continued their emphasis on positive behavior supports even when students and staff were all working virtually this past spring. Every school adapted their morning announcements to broadcast them on Twitter for students and families to access from home. Schools utilized their announcements to promote their positive school culture, remind students of the school-wide behavioral expectations, and highlight positive behavior being exhibited. It was such a joy seeing the positivity each school exuded during their announcements in an effort to maintain a sense of normalcy for all students! This spotlight recognizes all schools in the district, but please see below for a few specific examples!

Cason Lane Elementary

Salem Saints Pledge

Each month there is a different topic for class meeting discussions, and the principal introduces a discussion question for the day each morning in his morning announcements.
