

# SUNSHINE WEEK

## Reeves-Rogers Elementary

Murfreesboro City Schools

The Reeves-Rogers RTI<sup>2</sup>-B team kicked off a new staff recognition program called Sunshine Week! This is a week where the RTI<sup>2</sup>-B team recognizes every single staff member in the school -- from grade level teams to the cafeteria and ESP staff. Each Sunshine Week, the designated team gets special notes or posters from students, affirmations from their colleagues, and their favorite candy delivered to them. Reeves-Rogers' special area team helps students by making the notes and posters for the teachers & staff and designing a themed board where adults can leave notes for the team being recognized. An RTI<sup>2</sup>-B team member also delivers the candy to each person being recognized. This has been a wonderful addition to their Tier I practices to celebrate teachers and staff by showing appreciation for everyone!
